Presentation

Over the past three years, the ST BARTH CATA CUP has become the leading annual regatta for Formula 18 catamarans in the Caribbean.

The event is recognized by Class F18 and is considered one of the top 10 regattas in the world.

The ST BARTH CATA CUP blends conviviality, and exceptional navigation with world champions and great amateurs racing side by side, under the tropical sun to the rhythm of the trade winds. The ambiance is friendly and the event attracts a large public who enjoys the quality of the organization and the spectacle on the waves.

The 2010 St Barth Cata Cup took place from November 18-22. As soon as boats were able to register last April for the 2010 edition, the maximum number of 45 teams was signed up within 15 days. Next mission is to confirm the teams, and enjoy the mix of nationalities that adds to the charm of this race.

The non-profit association
ST BARTH MULTIHULLS
organizes the ST BARTH CATA CUP, in collaboration with the
CENTRE NAUTIQUE DE ST BARTHELEMY
(CNSB/ Nautical Center of St Barthélemy).

Tanguy KERVYN – Belgium

Teammate of Emmanuel BOULOGNE, F18 World Champion 2003

Once again, a big thanks for all your hard work organizing this regatta, which has become a major event on the F18 calendar. What surprises me the most is that you also make sure that you always made sure everyone was taken care of on your island, that's what surprised me the most.... The St Barth attitude!

Bravo and encore bravo. Big hugs. Tanguy

Jill Nickerson – USA

Manager of Fun in the Sun Services, Inc – Training for Olympic teams and world champions

I wanted to write you and thank everyone that help to make this event the success it was. Can you please make sure to pass this on to everyone.

We have been going to regattas around the world since the early 90's and have done 4 Olympic Campaigns and multiple World Championships and I must say that this was one of the top events that we have seen for many reasons.

The organization and sponsorship was fabulous.

The destination perfect.

Volunteers un believable.

Media attention un matched!

The quality of racing amazing.

The safety on the water very very reassuring and top notch.

The prizes beautiful.

Thank you for inviting us. We look forward to working with you again next year.

We can organize the US, Canada and possibly Australia to come next year. You tell me how many you would like and we will bring you the sailors!

THANK you again and congratulations! Jill

Testimonials ...

Jean-Christophe MOURNIAC – France

Cat World Champion 2006

This regatta is really great. It succeeds at the tour de force of being fun, and at the same time professional. Above all, the St Barth Cata Cup is the regatta not to miss under any pretext. It's fabulous! From the waves to the wind and warm waters to the level of the racers, an incredible sense of welcome, and outstanding organizers!

If there is just one race to do, it's this one!

Gary CHU – USA

Second place, St Barth Cata Cup 2010

Dear Jeff and Saint Barth Cata-Cup Organizing Committee,
Thank you for hosting this year's regatta and inviting the United States AHPC Team to Saint Barthelemy. This was the most exceptional event that I personally have attended due to the generosity of you and the sponsors, and the support which was given by the people of Saint Barths. The coverage by the media added to the event. I thoroughly enjoyed myself. Congratulations on a spectacular event!

Gary Chu

The Saint Barth Cata Cup 2011

"If there is just one race to do, this is it!"

In the past three years, the Saint Barth Cata Cup is a unanimous success. In order for that to continue, we must be innovative every year while also maintaining that which made us a success: the ease of access, the high quality of hospitality, the professionalism of the racing, the conviviality, and of course the wonderful island of Saint Barthélemy.

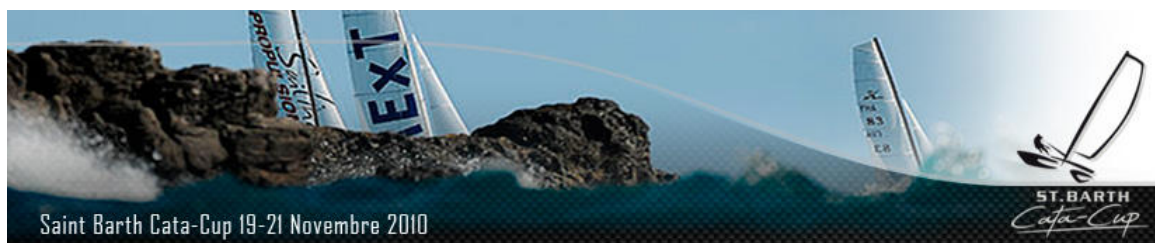

In 2010, each day of the race was named for an individual sponsor. The idea was very successful, and we will continue to do so, while also adding a fourth day of racing.

For the 2011 edition, the association ST BARTH MULTIHULLS is seeking new sponsors in order to evolve in the following ways:

- Pay for all or partially containers from Europe, the Americas, and the Caribbean
- Bring in name bands and musicians for the Saturday evening concert and/or local bands
- Pay for all activities on the water
- Provide Lycra jerseys for all competitors, and Lycra jerseys or windbreakers for all skippers on committee boats and security vessels
- Improve our means of communication (have a larger staff, and finance stickers)

According to the level of your donations, we will provide the following:

- Logos or other visuals on the Lycra jerseys worn by the racers during the regattas
- Logos or other visuals on the racing sails or sails on the security vessels
- Logos or other visuals at the boat park on the beach
- Logos or other visuals in the race village and at the host restaurant
- All means of communication (posters, flyers, website, etc)
- Media Coverage (TV, radio, publications, internet)
